BLOOMINGDALE BROTHERS

Manufacturing Retailers of Pianos and Player Pianos

THE NEW WALTERS PIANOS AND-PLAYER-PIANOS

Built Under the Supervision of Bloomingdale Brothers Are Now Recognized as the World's Biggest Plane Values

On May 1st, Bloomingdale Bros. announced the fact that they had purchased the entire capital stock and interest of the Walters Piano Manufacturing Company, and thus had acquired the sole ownership of the Walters piano factory.

As Manufacturing Retailers We Are Enabled to Inaugurate a Factory-to-Home Method of Selling Pianos which presents to the New York public the opportunity to buy high-grade Pianos and Player Pianos at prices less the middleman's profit.

To build better instruments is our sole aim, and with that

object in view we have made vital improvements in the construction of our Pianos, to wit:

A new and perfected scale has been adopted.

Best materials are used in the construction of our pianos. Only most skilled piano makers are employed to build them. Beautiful and artistic new case designs have been selected.

Success Is Crowning Our Efforts and the Results Can Be Seen in the New Walters Pianos and Player Pianos Their excellence cannot be denied, and their stability assures a lifetime of satisfaction.

We cordially invite you to see them, and we know you will agree with us in saying that they are THE WORLD'S BIGGEST PIANO VALUES.

Among the Many Handsome New Styles We Direct Your Special Attention to

88-Note Walters Player Piano

This wonderful instrument is especially designed and built to meet the demand for a perfect Player Piano. It is, from every point of construction, the equal to Player Pianos generally offered at \$550 or more. Artistically and mechanically it is a masterpiece of the piano maker's craft, and is a wonderful combination of our New Scale Walters Piano, the latest product of the Walters Piano Co., and a player mechanism of unusual excellence.

It contains a perfected system of double valves, metal tubing and a motor which works with utmost ease and precision.

The expression devices are unique, making it possible to bring out the melody with delightful clearness, and giving almost human interpretation

to any composition.

No matter what your demands may be, you will be delighted beyond, measure with the quality of this wonderful instrument.

AUTO BARGAINS

At this season of the year many New Forkers are anxious to dispose of their last year's car and buy an auto of a newer or different make.

This should mean much to those who would like to find a real automobile bargain—a motor car practically as good

as new at a very low price.

See World "Used Cars for Sale" additionary, or use a World "Car Wanted" al to-morrow.
